Peak Radar Pages is the only comprehensive directory of arts and cultural organizations in the Pikes Peak region. It is a print extension of PeakRadar.com, the region's premier website for arts, culture and fun, managed by the Cultural Office of the Pikes Peak Region. The 2015-2016 edition was the largest ever, featuring 400 organizations distributed in 7,000 copies across the region. The 2016-2017 edition is anticipated to grow yet again with even broader distribution thanks to a partnership with the Colorado Springs Business Journal.
